**DETAILED ACTION**

**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daniel E. Fisher on October 5, 2006.

The application has been amended as follows:

Claim 16, line 13, --located on the positioning device—has been inserted after "micro heater".

***Response to Applicant's Amendment***

Applicant's Amendment filed July 11, 2006 has been fully considered and entered.

***Allowable Subject Matter***

Claims 9-11, 13, 16, 19 and 24-26 are allowed.

The following is an examiner's statement of reasons for allowance: After an updated search, the prior art cited on the PTO-892 forms attached to the prior Office actions is the most relevant prior art known, however, the invention of claims 9-11, 13, 16, 19 and 24-26 distinguishes over the prior art of record because none of the

Art Unit: 2874

references either alone or in combination disclose or render obvious the invention as defined in these claims.

Regarding claims 9-11, 13, 19 and 24; the claims continue to be allowable for the reasons indicated in the Office action mailed June 13, 2006.

Regarding claims 16, 25 and 26; none of the prior art discloses or suggests a micro heater located on the positioning device capable of activating the adhesive in combination with the other limitations of those claims.

Hence, there is no reason or motivation for one of ordinary skill in the art to use the prior art of record to make the invention of claims 9-11, 13, 16, 19 and 24-26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
